9.2 Even after payment in full by the Customer, One Scientific shall retain the right to store, use and publish all analysis results in an anonymous form which does not identify the Customer.

10. CONFIDENTIALITY

10.1 One Scientific shall be entitled to save and process personal or commercial data received from the Customer in any way, no matter whether such data stem from the Customer directly or from a third party and shall use commercially reasonable efforts to keep such data confidential, in compliance with applicable law.
